To the Honorable the Legislature:

Pursuant to s. 1.11(2)(j) of the Statutes, the State of Wisconsin Investment Board is pleased to report that during fiscal year 1994 it did not consider any proposals for major actions in Wisconsin that would significantly affect the quality of the human environment. Accordingly, the agency was not required to prepare any environmental assessments or impact statements under s. 1.11.

State of Wisconsin  
Department of Health and Social Services

October 1, 1994

To the Honorable the Legislature:

1983 Wisconsin Act 27 created s. 46.277(5m) of the statutes, which requires the Department of Health and Social Services to submit an annual report on its federal Medicaid Home and Community-Based Services waiver, the Community Integration Program II (CIP II). The attached report covers calendar year 1993 for the CIP II and COP-Waiver (Community Options Program Waiver).

These waivers are designed to relocate or divert elderly and physically disabled persons from nursing homes and finance their care with Medicaid. The level of Medicaid waiver funding must be no greater on average than the Medicaid cost for nursing home care. The annual report examines both cost and quality of care in the waiver programs and compares average costs in the waiver program to average nursing home costs.

Sincerely,  
Gerald Whitburn  
Secretary
